Dear Lisa,

Thank you for a terrific workshop for our volunteers and guests on March 12, 2022. Everyone loved the "Claim Your Excellence" workshop!

The "Claim Your Excellence" workshop was enthusiastically received by all attendees. On their evaluation forms there were comments like, "Lisa is so upbeat it's infectious and just makes you want to move forward." The practical examples you gave about how to change your life were very helpful, such as how you explained fear and how to deal with it or encouraging participants to evaluate their inner selves to discover what is truly important to them. Everyone came away from the workshop with helpful insights and felt empowered to take charge of their lives! The energy and excitement you bring to your work really inspires people to listen with their whole selves.

Thank you for such a positive, affirming workshop. We would be delighted to work with you again!

Sincerely yours,

Amy Beth Jones
